Dear Mr. and Mrs. [REDACTED]

As you know, our Philosophy states that St. Dominic School is a community of faith built on the values, beliefs, and traditions of Catholic education. We are a community where values are communicated through the interpersonal and sincere relationships of its members who witness to the Lord by imparting religious truths and values.

We continually strive to strengthen our relationships and interactions with parents and students by fostering a climate of genuine concern, trust, and caring.

Given your recent reactions regarding school policy and leadership, we find that St. Dominic School is no longer the right place for your family. Therefore, we will not be extending a registration opportunity to your family for next year. We prayerfully wish you all the best as you find a new school.

Sincerely,

Penny Ogden
